September
18-21, 2011

Uranium Symposium and Trade Show

Please join us for this exciting event that brings together professionals in the fields of mining, processing, exploration, permitting, and health and safety, as well as business leaders, experts in the uranium market and government officials involved in regulation and permitting.

Short Courses and Technical Sessions will cover a variety of topics including:

- Uranium Geology
- Conventional, Heap Leach & In-situ Recovery
- Uranium Markets, Economic & Business Development
- Environmental Aspects of Exploration, Development, Operation and Closure
- Permitting and Regulatory Concerns

Please visit the website at www.u2011.org to sign up
